

Bose Institute

P-1/12, CIT Scheme VII-M
Kolkata 700 054, India

(An autonomous research institute under the
Ministry of Science & Technology, Government of India)

Advt. No. BI/ACA/13/2007

(Special Recruitment Drive for SC/ST/OBC/Physically Handicapped)

Bose Institute, founded in 1917 by Sir Jagadish Chandra Bose, is a premier institution for basic and applied research in several branches of science, traditional as well as interdisciplinary. For a brief introduction to its activities, please visit the institute's website <http://www.boseinst.ernet.in>

We currently have 6 (six) positions of Lecturers under reserved category (SC-2, ST-1, OBC-2 and Physically Handicapped-1) in the scale of pay Rs 8000–13,500 plus DA and other allowances as admissible to Central Government employees posted in Kolkata (both designations and scales of pay likely to be revised in the near future). We are looking for highly motivated, competent scientists of Indian Nationality with established credentials. While applications in all areas of research pursued at Bose Institute would be considered, preference would be given to candidates whose expertise and interest would strengthen the ongoing programmes in the area of:

- (1) Plant Molecular Biology/Biotechnology
- (2) Molecular Biology and Genetics
- (3) Synthetic Organic Chemistry
- (4) Medical Biotechnology
- (5) Radiation Physics/Soft condensed matter (experiment or theory)
- (6) Bioinformatics

With a view to filling up all the posts, this advertisement will remain open until all the vacancies are filled. Interested candidates are requested to submit their detailed CV in compliance with the instructions in the Institute's website regarding this advertisement. The applications should be sent both by e-mail: faculty-search@boseinst.ernet.in and hard copy sent to the Director, Bose Institute.

The Institute Authority reserves the right to reject any/all applications without assigning any reason whatsoever.
