

National Institute of Oceanography Goa

National Institute of Oceanography (NIO), Goa (www.nio.org) invites applications from CSIR–UGC NET–JRF and LS qualified candidates to become part of NIO ocean research programs. The ongoing programs include: biogeochemistry of the Northern Indian Ocean, palaeoclimate, coastal and open ocean circulations, waves and tides, marine biotechnology, marine eco-system, drugs and chemicals from sea, marine mineral deposits, seafloor tectonics, marine pollution and coastal zone management, marine engineering, marine archaeology, etc. We welcome NET-qualified students to visit NIO to learn more about these programmes.

NET–LS candidates will be provided stipend and facilities as per CSIR recommendations. Furnished accommodation in our residential complex will be available for all CSIR–UGC NET JRF and LS qualified candidates.

Interested candidates may contact Dr V. K. Banakar, Human Resource Management (e-mail: banakar@nio.org; Phone: 0832-2450361; Fax: 0832-2450609/2450602). You may also log-on to www.nio.org for more details on various on-going projects, researchers, doctoral programs, etc.
