ACKNOWLEDGEMENTS. I am grateful to the Federal Commission of Scholarships, Switzerland, for providing a scholarship and to Profs Daniel Bernoulli and J.P. Burg for providing facility, constant advice and support to carry out research at the Institute of Geology, ETH Zurich, Switzerland. I also thank Prof. Anshu K. Sinha, Director, Birbal Sahni Institute of Palaeobotany (BSIP), Lucknow for

providing facility, support and encouragement during my association in a DST, Govt. of India, funded project (ESS/CA/A9-32/93) at the Wadia Institute of Himalayan Geology, Dehradun. Drs Hakim Rai and Rakesh Chandra helped during field excursion in the eastern Karakoram. I am grateful to Profs Daniel Bernoulli, Peter W. Skelton, Eric Flugel and Richard Hoefling for extending their valuable help in the identification of the Cretaceous fossils illustrated and Profs Bernoulli, S.V. Srikantia and the two anonymous reviewers who kindly reviewed the initial version of this manuscript. Sincere thanks are due to Prof. K.S. Valdiya and to the President Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bangalore for help, support and providing facilities to continue research at the JNCASR. I also thank CSIR, New Delhi for providing a senior research associateship under its Scientists' Pool Scheme and to the authorities at the BSIP, Lucknow for facilities to pursue research.

Received 12 February 2001; revised accepted 6 July 2001

Errata

Noctiluca blooms in Port Blair Bay, Andamans

M. Eashwar, T. Nallathambi, K. Kuberaraj and G. Govindarajan

[*Curr. Sci.*, 2001, **81**, 203–206]

Both axis titles have been omitted in Figure 3. The *x*-axis should read 'Dates, July 2000' and the *y*-axis should read '*Noctiluca* cells $\times 10^3 \text{ l}^{-1}$ Chlorophyll *a*, mg mg^{-3} Chlorophyll *a* to *c* ratio'.

UGC's UPE scheme

Shridhar Gadre *et al.*

[*Curr. Sci.*, 2001, **81**, 334]

The last sentence of the third paragraph should read: In such cases, these selected universities may not be able to nurture and nourish all the good intellectual and academic talent deprived of support and sustenance because of inadequate funds and facilities.
