National Institute of Oceanography
Dona Paula, Goa

Applications are invited for placement as a Research Associate on a consolidated emolument of Rs 8000/- per month against an institutional project on Biodiversity at the National Institute of Oceanography, Dona Paula, Goa.

Qualifications: Ph.D. in any aspect of Life Sciences with a strong practical knowledge of molecular techniques that are relevant to biodiversity studies. Preference will be given to candidates having knowledge of marine biology. The candidate will work independently and in a team on the preparation of molecular probes for detection of novel and cryptic marine organisms.

Age limit: 35 years, relaxable by 5 years in the case of applicants belonging to Scheduled Caste/Tribe, women, physically handicapped and OBC's. The cut-off date for determining the age limit is the last date for receipt of applications.

The engagement is against an institutional project initially for a period of one year, extendable by a maximum period of 3 years or till the completion of the project, whichever is earlier. It will not confer any right/claim implicit or explicit on the selected candidate for consideration against a regular post in NIO/CSIR.

Interested persons may send their bio-data by clearly specifying details such as name, date of birth, educational qualifications, experience, etc. supported by attested copies of the certificates. No TA is admissible either to appear for interview or for joining the post. No interim inquiries will be attended to.

Applications may be sent to the Director, National Institute of Oceanography, Dona Paula, Goa 403 004, Attn: Dr S. Raghukumar, Scientist, Biological Oceanography Division. The last date for receipt of the application is 7 October 2001.
