**DOI:** 10.1007/s12043-013-0633-1; **ePublication:** 11 January 2014

The original publication of this article (DOI: 10.1007/s12043-013-0610-8) which appeared in *Pramana – J. Phys.* **81(5)**, 839 (2013), unfortunately contains an error. The affiliation of the fourth author “**Yang Liu**” should have been Department of Basis, Air Force Early Warning Academy, Wuhan 430019, Hubei, China.

The authors apologize for this error.
