

21st Annual Conference of Ramanujan Mathematical Society

University of Hyderabad, Hyderabad 500 046, India

Date: 3-8th July 2006 , 3-5th July 2006 work Shop and 6-8th July 2005 Conference (?)

Main Theme: Number Theory

Speakers

Dr C S Dalawat, HRI, Allahabad
Prof. Dipendra Prasad, TIFR, Mumbai
Prof. R Tandon, Univ. of Hyderabad
Dr Suryaramanna, HRI, Allahabad

Topic

Basic Number Theory
Modular Forms
Hasse Minkowski Theory
Introductory Analytic Number Theory

The workshop is meant for research scholars, exceptionally talented MSc students, college lecturers and other interested academics.

Conference: Invited Talks: The following endowment lectures will be held during the conference: 1. Abdi Memorial Lecture, 2. C S Venkataraman Memorial Lecture, 3. T N Kapoor Memorial Lecture, 4. M N Gopalan Endowment Lectures (2) (?)

Paper Presentation: Those who want to present papers should send an abstract of the paper along with a hard copy of the paper so as to reach the Local Secretary, 21st Annual Conference of Ramanujan Mathematical Society, Department of Mathematics and Statistics, University of Hyderabad, Hyderabad 500046 on or before **31st May 2006**. There may be a best paper award if the papers presented are sufficiently many and of high quality.

Registration: Those who want to attend the workshop/conference may apply to the Local Secretary at the address given above on a plain sheet of paper giving the following details: Name, Address, designation, current institution to which you are affiliated, Academic record (for workshop only), published papers (for conference only). Registration Fee, D. D. No, Amount. Whether you want to present a paper or not. Those who are interested in the workshop should also ask one of their teachers to send us a letter of recommendation.

Registration Fee: Workshop – Rs 50/-; Conference – Rs 600/-. Those who want to attend both the conference and workshop need to give a registration fee of Rs 600/- only.

Work shop: About 35 participants will be selected on all India basis. Selected participants for the workshop will be provided TA (II Sleeper train fare) and local hospitality.
