Refresher Course on Advanced Topics in Chemistry

Lady Doak College (Autonomous), Madurai 625 002

November 7-20, 2006

sponsored by Indian Academy of Sciences, Bangalore

A Refresher Course on “Advanced Topics in Chemistry” for college/university teachers. The aim of the Refresher Course is to enrich the knowledge of teachers in the following proposed topics and enable them to teach the subject to graduate students effectively.

(a) Solid State Chemistry and Nanomaterials. (d) Photochemistry and Spectroscopy.
(b) Electron Transfer Processes at Interfaces and Catalysis.
(c) Green Chemistry. (f) Bioinorganic Chemistry.

The Course will have both lecture and laboratory sessions.

Teachers who wish to participate in the Course should send their brief curriculum vitae (including name, date of birth, e-mail and postal address, educational qualifications, teaching experience, course taught, positions held, telephone numbers, etc.) along with a brief write-up to why they would like to participate in this course, through the Head of the Institution/University, to

Dr. R Ramaraj, Course Director, Refresher Course on “Advanced Topics in Chemistry” Centre for Photoelectrochemistry, School of Chemistry, Madurai Kamaraj University Madurai 625 021, Tel: 0452-2459084, Email: ramarajr@yahoo.com

Selected participants (up to 35) will be provided local hospitality and actual train fare (three-tier A/C) or bus fare by the shortest route. Preference will be given to teachers below 45 years of age.

For further information contact: Mrs Kalaneethy Christopher, Course Coordinator, Head, Department of Chemistry, Lady Doak College, Madurai 625 002.
Tel: 0452-2530527, 2524575. Email: chemldc@rediffmail.com

Last date for receipt of application: 31 July 2006.
