Refresher Course in Experimental Chemistry

School of Chemistry, University of Hyderabad, Hyderabad 500 046

27 November – 10 December, 2006

sponsored by Indian Academy of Sciences, Bangalore

A Refresher Course in Experimental Chemistry for the college teachers will be held at School of Chemistry, University of Hyderabad, Hyderabad 500 046 for a two-week period between November 27 and December 10, 2006.

The Course will consist of stimulating experiments in different branches of chemistry covering diverse topics such as chemical kinetics, electrochemistry, spectrophotometry, polymer chemistry, advanced synthesis in inorganic and organic chemistry, and molecular modeling. The focus of this Course is to acquaint the participants with novel avenues of sensitizing the students at the undergraduate level about the fascinations of experimental chemistry.

Teachers who wish to participate in this Refresher Course should submit their brief curriculum vitae (including name, date of birth, sex, educational qualification with marks obtained, teaching experience, courses taught, positions held, postal and email addresses, phone numbers, etc).

Selected teachers will be provided local hospitality and round-trip bus/train fare (3-tier AC) by the shortest route.

The applications may be sent to: Prof. A. Samanta, School of Chemistry, University of Hyderabad, Hyderabad 500 046, India. Tel: 040-2301 1594, Fax: 040-23012 460, Email: assc@uohyd.ernet.in, anunay_s@yahoo.com

Last date for the receipt of application: **30 September 2006**
