

Seminar on Nanobiotechnology

The Department of Microbiology, Royal College of Arts, Science and Commerce, Mira Road, Dist. Thane, is organizing a one day National Level Seminar on 'Nanobiotechnology – The Big world of Small things', to be held on 10th January, 2009.

Nanotechnology deals with the production of nanoscale particles/devices, which have tremendous potential for use in various fields, such as industry, medicine or environment. Nanobiotechnology is the advanced application of this subject to venture new avenues of research for the betterment of life.

Eminent speakers from IIT (Mumbai and Delhi); NCL, Pune; Monad Nanotech, Mumbai, would be enlightening the participants on different aspects of Nanobiotechnology.
