Refresher Course on Geomatic Applications for Sustainable Water Resources and Environment

15 June 2009 – 4 July 2009

Sponsored by University Grants Commission

Centre for Water Resources, Institute of Science and Technology, JNTU, Hyderabad, Andhra Pradesh is organizing a UGC sponsored refresher course for the faculty members working in the universities and colleges on “Geomatic Applications for Sustainable Water Resources And Environment” from 15th June 2009 to 04th July 2009. This course is designed to help the participants to upgrade their academic and research activities.

This course will be further supplemented by field trips, hands on practical training on Arc GIS 9.1 and ERDAS 8.7 and interactions with industry/academia experts. Eligible candidates would be provided to and fro second class railway fare by the shortest route for attending the programme and each participant shall pay an amount of Rs.500/- towards registration fee. Free boarding and lodging will be provided for outstation participants. This course is planned as a residential programme and stay in the University Guest House at Kukatpally Campus of JNTU, Hyderabad is compulsory for outstation participants.

The selection will be based on the first -come-first-served basis. Please arrange to circulate this information among the faculty members of your institute so that interested faculty members / employees may apply.

Application form can also be downloaded from the Centre for Water Resources web site www.cwr.org.in and also from JNT University website www.jntu.ac.in.
