

Information and Announcements

National Board for Higher Mathematics Mathematics Olympiad Associate Member Scheme

The international mathematics Olympiad is a mathematics problem solving competition for talented school students from across the world. India's participation in the international mathematics Olympiad is co-ordinated by NBHM and the mathematics Olympiad cell of the Homi Bhabha Centre for Science Education (TIFR). For more details about the mathematics Olympiad, please see,

Nominations are invited for the Mathematics Olympiad Associate Member Scheme of the NBHM from mathematicians and teachers interested in contributing to the mathematics Olympiad activity at the national level. Associate members will be appointed for a period of one year at a time, which may be extended up to three years, and will receive an honorarium of Rs 10,000 per month.

These positions are specially meant for those who love high school mathematics. The mathematical Olympiad programme is looking for candidates who can take it forward. The Associate members are expected to promote the Olympiad activity in various ways, and in particular contribute to a range of current activities related to the mathematics Olympiad at the national level, which includes setting of question papers, assessment, training of selected students, and participation in the International Mathematics Olympiad. They may need to travel to participate in camps and meetings and spend two to three weeks in designated locations across the country.

Eligibility

- College teachers, school teachers and mathematicians holding academic positions in Universities or similar institutions.
- Individuals with demonstrated aptitude in mathematics Olympiad activities but have no formal institutional affiliation at present may be considered.

How to Nominate.

- Nominations may be sent by any individual and must include a CV and letters of recommendation and a covering note highlighting academic contributions at the formal or informal level to Olympiad related activities, and any other relevant information.
- Self-nominations will be accepted.
- Nominations may be sent by hard copy to the address below or by Email to surybang@gmail.com and must reach on or before January 31, 2017.
