

Errata*

1) How to Design Experiments in Animal Behaviour

11. Fighting Fish – Does Experience Matter?

Resonance, Vol.25, No.2, 2020

DOI of the original article: <https://doi.org/10.1007/s12045-020-0942-x>

The following sentence on page 295 which reads as:

We need to stop jumping on the bandwagon of fashionable areas of research and have the courage to identify as yet fashionable areas of research that have the potential to be made fashionable in the near future.

Should be read:

... the courage to identify as yet **unfashionable** areas...

2) Inside Backcover

Birds in the Backyard: *Resonance*, Vol.25, 2, 2020
