

## RETRACTION NOTE

# Retraction Note to: Effects of CuO nanoparticles on compressive strength of self-compacting concrete

ALI NAZARI\* and SHADI RIAHI

Department of Materials Science and Engineering, Saveh Branch, Islamic Azad University,  
Saveh 39187-366, Iran  
e-mail: alinazari84@aut.ac.ir

**Retraction Note: Vol. 36, Part 3, June 2011, pp. 371–391**  
<https://doi.org/10.1007/s12046-011-0023-7>

The Editor-in-Chief has retracted this article because it significantly overlaps with a number of articles including those that were under consideration at the same time [1–3] and previously published articles [4]. The authors have not responded to any correspondence regarding this retraction.
