Name of Work: PROVIDING AND FIXING FALSE CEILING AS PER THE DRAWING AND PROVIDING ELECTRICAL WORKS AND FIXTURES AT ACADEMY’S FELLOW’S RESIDENCY, JALAHALLI

SCHEDULE ‘B’

SPECIAL CONDITIONS

1. The work shall be completed within 15 Days from the date of placing the order.

2. CEMENT REQUIRED FOR THE WORK.
   The contractor shall procure either 43 Grade (conforming to IS 8112) or 53 grade (conforming to IS 12269) Ordinary Portland cement or any other special grade/quality of cement as required for the work, from reputed manufacturers of cement as approved by the Engineer.

3. SUPPLY OF DRINKING WATER AT THE SITE OF WORK: The Contractor shall make his own arrangements.

4. SUPPLY OF WATER FOR THE WORK:
   The Academy will provide water for the work at the work site.

5. Electricity Supply for Works:
   The Academy will provide the required electrical power to carry out the work. The Academy will charge 1% of the total contract value as electricity and water charges.

6. MISCELLANEOUS CONDITIONS:
   (a) The Chief Engineer shall have the right to omit at his discretion one or more items of work when placing the order.

   (b) The quantities indicated in the schedule are only approximate and can be increased or decreased at the discretion of the Executive Secretary. However, the consequent variation in the Total Contract Value will be limited to 20%. The rates quoted shall be firm for such variation. In case the variation results in the total contract value exceeding the prescribed percentage revision of rates, if any, shall be applicable only for that portion of the contract carried out in excess of the permissible percentage.

7. SECURITY DEPOSIT:
   The Contractor shall deposit 5% of the contract value in the form of Demand Draft from a Nationalized Bank, payable at Bengaluru as Initial Security for the due fulfillment of the conditions of the contract, within 3 Days of placing the order failing which the order shall be cancelled and other arrangements made for executing the work. The Security Deposit shall not bear any interest and the Security Deposit shall be forfeited in whole or part at the discretion of the Executive Secretary, if in his opinion the contractor has failed to fulfill any of the conditions of the above contract. The Security Deposit shall be refunded to the contractor along with the bill after the work is completed satisfactorily and certified by the Chief Engineer to that effect.

8. Compensation for delay:
   If the contractor fails to complete the work in all respects within the time specified or within the extended time that may be allowed by the Executive Secretary, the contractor shall pay or allow to the Academy a sum of contract as liquidated and ascertained damages and not by way of penalty, for every day/week or part thereof beyond the said period or extended period as the case may be during which the work shall remain unfinished. Such damages will be deducted from any Amount payable to or to be payable to the contractor including encashment of Bank.
Guarantee or any Securities/Guarantees, if any available with the Academy. The maximum Amount of Liquidated Damages will be worked out based on the Total Contract value inclusive of all Taxes and Duties thereon.

The Liquidated Damages/Late Delivery charges will be worked out as follows:

The Liquidated Damages/Late Delivery charges whose period of contract / delivery is above four weeks, Liquidated Damages/Late Delivery charges will be ½% (half percent) per week or part thereof of the total value of the contract subject to a maximum of 5% of the total value of contract.

The payment of such damages does not relieve the contractor of his obligations to complete the works or from any other of his obligations or liabilities under this contract.

C.S. Ravi Kumar
Assistant Executive Secretary
Indian Academy of Sciences
Sadashivanagar
Bangalore-560 080
1. No materials will be supplied free by the Academy and it is the responsibility of the contractor to procure and supply all the materials required for the work at their cost.

2. Rates/price bid is to be submitted as per annexure-I, according to the specifications given in the enquiry only and no conditional tenders will be accepted. TENDER ACCEPTANCE LETTER is to be submitted as per annexure –II.

3. If any materials issued to the contractor by the Academy for the use on the work is lost or damaged, the cost thereof at the ruling market rate or at the Academy issue rate whichever is higher plus 20% storage charges in either case will be recovered from any money due or that may become due to the contractor.

4. The quantities given in the schedule of quantities are those upon which the approximate estimated cost of the work is based but they are subject to alterations, omissions, deductions and additions and do not necessarily show the actual quantities of the work to be done.

5. The work is to be carried out with due diligence and executed in a workman like manner. The material used when supplied by the contractor is to be of the best of its kind and in all cases to be subject to the approval of the Chief Engineer whose decision to the rate of progress the quality of the work or materials, sizes etc., is final.

6. The Chief Engineer may cancel the contract at his option at any time without notice for any reason including poor progress of work and may remove bad work or materials and have it replaced deducting the value of the work rejected or materials removed and the cost of replacing it as he may think proper from any amount due or that may become due to the contract. The decision of the Chief Engineer is final and will be binding on the contractor.

7. In case the contractor leaves the work incomplete the Chief Engineer shall have the right to have the work completed through any other agency and recover the extra expenditure incurred by the Academy in so doing from any money due or to become due to the contractor.

8. The Contractor shall conform and comply with the regulations and by laws of the IASc and of all other local authorities such as the BBMP. The Factories Act, the Government Customs and Police Department, etc. The contractor shall conform to rules, regulations, etc. concerning injury to workman compensation for injury to workmen, Insurance for workman etc. The Contractor shall also conform to contract labour (Regulations and Abolition) Central Rule 1971 etc.

9. The Contractor shall be responsible for any accident; damage for injury caused to any his employees or property or any person or property in course of the work and shall hold the Academy blameless in respect thereof any also in respect of any claim made by any person or any reasons whatsoever.

10. The contractor shall be solely responsible for reporting to the POLICE, BBMP and BESCOM or any other Department immediately of any serious or fatal accident inside the Academy premises to any of his employees/workmen engaged by him or any persons involved in an accident at site of work.

11. The work shall be carried out without causing any inconvenience to the Academy and to other works in progress in the neighborhood and any losses to the Academy.

12. Only vehicles licensed by the contractor will be allowed inside the Academy premises.

13. The quantities of work executed will be measured and payment made on satisfactory completion of the work.
16 It shall be clearly understood that the rates mentioned in the schedules are inclusive of everything required to be done for the proper completion of the work according to the specifications, drawings, general conditions and special conditions even though specific mention thereof has been omitted in the specification and drawings.

17 Measurements recorded by the person authorized by the Chief Engineer to make them will be accepted by the contractor who will be given the opportunity of witnessing the measurements taken.

18 Payments made by the Academy to the contractor for the work shall be rounded off to the nearest rupee.

19 The work shall be completed within 15 days from the day of placing the order.

20 If the progress of work is held up owing to circumstances which in the opinion of the Chief Engineer are beyond the control of the Contractor, such as War, stormy weather and other reasonable causes, the Chief Engineer may at his discretion, grant to the Contractor such extension of time as he considers reasonable for the completion of the work. The grant of such extension of time will not bestow on them any claim for compensation or extra payment at a future date whatsoever.
