Journal of Chemical Sciences, published by the Indian Academy of Sciences, was originally a part of the Proceedings of the Indian Academy of Sciences — Section A (begun in 1934), which later evolved into an independent journal titled as Proceedings — Chemical Sciences in 1978 and was retitled Journal of Chemical Sciences in 2004.

The journal, a monthly since January 2015, publishes original research as Regular and Rapid Communication articles covering many areas of Chemical Sciences. It also publishes special issues in frontier areas of the subject. Submissions to the Journal of Chemical Sciences are processed through an online submission and review management system (www.editorialmanager.com/jcsc/).

A few selected articles published between June 2017 and December 2017

**Special Issue (July 2017)** on THEORETICAL CHEMISTRY/CHEMICAL DYNAMICS (Guest Editors: B Bagchi and N Sathyamurthy)

**Special Issue (November 2017)** on Recent Trends in the Design and Development of Catalysts and their Applications (Guest Editors: Lakshmi Kantam Manepalli and V K Rathod)

2. 'Ionic crystals' consisting of trinuclear macrocycles and polyoxometalate anions exhibiting single crystal to single crystal transformation: breathing of crystals by T Arumuganathan, Asha Siddikha and Samar K Das, Vol. 129, pp. 1121-1142

5. Green synthetic route for perfumery compound (2-methoxyethyl) benzene using Li/MgO catalyst by Pooja R Tambe and Ganapati D Yadav, Vol.129, pp.1771-1779

7. Influence of alkene substituent in dictating the reaction course to form carbocycles or oxacycles during ring closing metathesis of acyclic trienes by Ritabrata Datta and Subrata Ghosh, Vol.129, pp. 1873-1881

... and articles by other authors from IITs, IISERs, IISc, Univ. of Pune, IACS, etc.

**Forthcoming papers (Full list in Journal website) in 2018 (January):**

R Murugavel (IITB), R Ramaraj (Madurai Kamaraj Univ.), S Daschakraborty (IITP)
K S Rama Rao (IITC, Hyderabad), Pradip Kumar (IIT- BHU), D P Zhang (Shandong University of Technology, China), S Thamotharan (Sastra Univ.), R C D Jala (IITC-HYD)

**Special Issue (2018)** on Transition Metal Catalysed Synthesis of Medicinally Relevant Molecules (Guest Editor: Rakeshwar Bandichhor)

**Special Issue (2018)** on Modern Trends in Inorganic Chemistry (MTIC-XVII) (Guest Editors: V G Anand, S Chikkali, A Kumbhar and D Srinivas)
