Supplementary material

Supplementary table 1. Parasite prevalence (%) of nonhuman mammalian species of the ten study sites in Anamalai Tiger Reserve, Western Ghats, India

Supplementary table 2. Percent prevalence of parasite taxa in 17 mammalian hosts from fragmented rainforest landscape of Anamalai tiger reserve, Western Ghats, India

Supplementary table 3. Number of samples collected from each of the ten forest fragments for 17 mammalian hosts in Anamalai tiger reserve, Western Ghats, India
